## How to Apply for FEMA Assistance

START DATE: IMMEDIATELY

KILL DATE: Oct. 9, 2024

RUN TIME: 30 SECONDS

Did you experience damage from Hurricane Helene? FEMA may be able to help with serious needs, displacement, home repair or other disaster-caused expenses. If you applied to FEMA after Hurricane Debby and have additional damage from Hurricane Helene, you will need to apply separately for Helene and provide the dates of your most recent damage. Apply for either storm online at Disaster Assistance dot gov, download the FEMA mobile app, or call 800-621-3362. That's Disaster Assistance dot gov or 800-621-3362.
