#### *Who We Are*

*Team Rubicon, a veteran-led disaster response organization that will be providing clean-up services to Suwannee & Lafayette County. As a donor funded organization, there will be no cost to you. We are a non-profit organization that has over 160,000 volunteers that help communities prepare, respond, and recover from disasters and humanitarian crisis. Team Rubicon is a Four Star charity on Charity Navigator and has completed over 800 operations since its founding in 2010 and has saved communities over \$32.4 MIL in volunteer service.*

#### *Services We Provide*

*Site Survey - Something bad happened - but how bad was it? We get there fast to digitally analyze and record the impact on the homeowner, on the community and on the state.*

*Debris Removal - There's a lot of stuff- trees and house debris that doesn't belong after a disaster. We will assist in cleaning debris on your property and moving it in accordance with the debris management plan set for by the local government.*

*Tree damage clean-up - Team Rubicon has skilled operators that will cut up and move the trees in accordance with the debris management plan.*

*Muck-Outs and Roof Tarping- rain can cause significant damage to homes. We will assist in the removal of drywall, insulation, flooring, and damaged property from inside the home. If you received damage to your roof, we have teams to come out and tarp the roof to prevent further damage.*

#### *Services Not Provided*

*Team Rubicon will not move debris off the property. Debris will be moved to the curb to be picked up in adherence to the city's debris management plan. We will not dispose of the debris. Team Rubicon does not do mold mitigation.*

#### *How to Identify Us*

*After a disaster, it's important to know who you can trust to help get your community back to normal. Our volunteers (known as Greyshirts) will always wear a grey shirt with the red Team Rubicon logo on the back.*
