

INSTRUCTIONS FOR APPLICANTS FILING
ZONING SPECIAL PERMIT FOR TEMPORARY
USE APPLICATIONS

A temporary use permit to allow the temporary utilization of land in a manner not inconsistent with district zoning regulation may be granted by the Board of County Commissioners. Certain uses are temporary in character and vary in type and degree, as well as length of time involved. However, in no instance shall the permit exceed five (5) years. Such uses may have little impact on surrounding and nearby properties or may present questions involving potential incompatibility of the temporary use with existing uses.

The Board of County Commissioners has the power to hear and grant special temporary use permits with appropriate conditions and safeguards or to deny such permits when such use would not promote the public health, safety, morals, order, comfort, convenience, appearance, prosperity, or the general welfare.

The following information is required from an applicant filing a zoning special permit application:

1. Copy of property deed.
2. Site plan (see attachment for list of required items on site plan).
3. Copy of aerial map from Property Appraiser's Office with the subject property highlighted.
4. Legal description of subject property, if the legal description in the deed is larger than the actual property being applied for.
5. \$150 application fee.
6. Completed application (attached).
7. Authorization letter from owner, if owner is represented by an agent (see attached sample).

The above information must be submitted to the Planning & Zoning Office, 224 Pine Avenue, Live Oak, Florida 32064 by the 15th day of the month. The application will be considered by the Board of County Commissioners on the third Tuesday of the following month. Meeting dates are subject to change. The Planning & Zoning Office will notify the applicant by mail of the exact date, time and place of the hearing.

The County LDRs require that a public notice be published once in the legal section of a local newspaper at least 10 days prior to the hearing date. The LDRs also require that a sign be posted on the subject property. The Planning & Zoning Office will ensure these requirements are met,

The burden is on the applicant to furnish competent evidence to prove that the request is consistent with the Comprehensive Plan and LDRs and complies with all procedural requirements. The proceedings will be quasi-judicial in nature, and the parties will be able to present evidence, cross-examine witnesses, and be informed of all the facts upon which the Board of County Commissioners acts. Anyone may appear before the Board comment on the application.

The Board of County Commissioners is required to base its decision to grant or deny applications on requirements in Section 14.10.1(2) of the LDRs. A copy of said section is attached.

For further information, contact the Planning & Zoning Office at 386/364-3401.
